

Attachment to Westside Weekly Information Sheet:  
Effective Dates: October 30, 2015 through November 5, 2015  
Clackamas River and Zigzag Ranger Districts – Mt. Hood National  
Forest

## ATTACHMENT

### HWY 224 Firewood Cutting Areas:

Firewood at these locations is available as a result of the HWY 224 hazard tree removal project from the 2014 36 Pit Fire. The following locations have small amounts of firewood decked. The decked firewood is mix of softwood and hardwood species of various diameters. Some of the wood may have fire damage to it.

Carter Bridge Day Use Area

Mile Post 37

Mile Post 36

Each of these three locations has some room for two to three vehicles to pull off of the highway safely and gather firewood. Do not impede traffic. Do not park your vehicle in a manner that blocks HWY 224 traffic.

Have this Attachment along with your permit and up-to-date Weekly Information with you while gathering firewood here. Follow all rules and regulations outlined in the Weekly Information Sheet and on the back of your Firewood permit.

This attachment is only valid with the October 30 through November 5<sup>th</sup> Weekly Information Sheet.
